

Live classes conducted through VanEd’s classroom system can be scheduled anytime. VanEd covers all compliance and certification issues and supplies CE credit for students via certificates saved online in individual student accounts—there’s no misplacing certificates or class rosters—we keep track of student credit and even help students keep track of hours for license renewal!

Have course suggestions? Want to put on a class locally, but need help? VanEd can help deliver a wide variety of live presentations. Contact us to learn more!

VanEd live courses can be hosted in two ways:

1. You can take all registrations and payments from students, supply us with a confirmed, completed course roster and the relevant per student fee and we send certificates via email

Or

2. You can put the course up on our [online calendar](#) and send students to the website to enroll. Payments can be made online by credit card or check and VanEd will send you the collected revenue minus the per student fee once the class is completed. Caps for enrollment can be set at any number and you will be able to view the roster anytime.

Course Materials :

Student handouts relevant to your course can be provided via email for you to copy for your class, or for an additional per student fee, VanEd can print and send you the handouts once you have a close confirmed number of attendees.

Course Fees:

Instructors will be paid directly by hosts. Instructor fees, mileage, boarding & per diem all worked out on an individual basis. VanEd per-student fees will be collected from student enrollments online or after classes accompanying confirmed rosters for credit from the host.
