Appraisal course enrollment and course registration are accomplished via the Internet at http://www.vaned.com. Questions should be sent to info@vaned.com or appraisal@vaned.com and shall be answered as promptly as possible, but no later than the next business day. VanEd offers real estate and appraisal courses that meet the requirements of The Appraisal Foundation, the International Distance Education Certification Center and the various state boards of real estate and real estate appraisers. At present, the School offers Real Estate Appraisal, USPAP, Real Estate Salesperson & Broker Associate (CO, TX, NE, OK) courses and Continuing Education credit courses.

Burton is the lead faculty member for real estate appraisal courses. Burton manages Bristol Realty Counselors of Colorado, Inc., a commercial real estate appraisal and consulting firm in Boulder, Colorado. He has over twenty years of valuation experience, fifteen of which have been as a member of the Appraisal Institute. Burton is on the board of the Colorado Chapter of the Appraisal Institute. He is also a licensed real estate broker in the state of Colorado and a certified USPAP instructor for The Appraisal Foundation.

The School will accept any student who is at least 17 years old.

Up to date course offerings, tuition fees and course materials included can be found online by clicking on your state at the following link:

A $30.00 service charge will be assessed upon the return of any check.

III. Grading Policy

Students must complete all course requirements including passing a final exam. The student must receive at least a 75 percent to pass the Final Exam. There are three versions of the 15-Hour USPAP final exam and the passing score varies between 74 percent and 78 percent depending on the exam. The exams are taken online with the grades being posted immediately. In the event a student does not pass, the student may retake any exam. If a student fails the 15-Hour USPAP final exam three times they are required to make specific arrangements with the instructor relative to the next course of action.

Since the courses are offered through home study (individualized instruction method), the student is able to work at his own time and speed. However, in order to determine that the student is actually accomplishing the work, a minimum standard is required. [See Section V. Termination/Complaint Procedures]

The School shall maintain a Student Progress Report on each student showing the enrollment date, commencement date, date received "completion statement", date when each exam was taken and scores given. The student, upon request, will be given a copy of his/her progress report.

VII. Course Content

Goals

The goal of the School is twofold:

1. To prepare a non-licensed individual to successfully complete the entry level state appraiser license exam;

2. To help prepare a non-appraisal licensed individual for a career as a real estate appraiser.

Upon completion of any program package at 75 hours or more (for example Principles & Procedures & 15-hour USPAP), the student will have a basic working knowledge of the real estate appraisal process and the ethics and standards that are required of all real estate appraisers. The course completion certificates shall be available to the student within one business day of VanEd’s receipt of the student signed affidavit associated with the completed course.

Previous Training

There is no prior experience requirement for students to take any of the Basic Appraiser Education courses. However, if a student has a transcript from another School showing completion of required courses and evidence of course approval by the appropriate state Board of Real Estate Appraisers, at the discretion of the School, credit may be given toward a program certificate. Acceptance of credit from another school shall not impact the refund policy.

Transferability

The School does not guarantee the transferability of its credits to any other educational institution. It is solely up to the receiving school to determine whether credits will be accepted.

Placement Assistance

The School does not provide assistance or counseling for graduates in arranging interviews with real estate appraisal employment opportunities. The School will keep on file and make available to students, a list of real estate appraisal opportunities that are brought to the attention of the school director.

VIII. Preparation for the State Examination

A student is required to successfully complete 15 hours of Uniform Standards of Professional Appraisal Practice (USPAP) and between 60-150 additional hours of pre-license education prior to being eligible to become a Trainee/Assistant/Provisional Appraiser. In addition to the educational requirements identified above, the entry-level real estate appraisal license requirements often include successful completion of the state exam.
